Cookin' for Kids is destined to become the annual fall fundraiser for Gulf Coast Kid's House Inc., Child Advocacy Center. Gulf Coast Kid's House is serving record numbers of abused, neglected and abandoned children. Over 8,000 children have received the services of Gulf Coast Kid's House since 2004. Last year, 832 new victims of child abuse and 262 non-offending parents, caregivers, and siblings received our help. Your support translates into the healing and recovery for hundreds of child abuse victims each year.

On Saturday, November 21, 2009, 11AM– 3PM, Gulf Coast Kid's House invites ***Your Company*** to sponsor Cookin' for Kids. This event will be held at Bayview Park. There will be activities for the entire family including the BBQ cook-off with professional judges, children's games and inflatables, animal exhibits, and many, many more activities…
